

ECZEMA

Atopical Lives

The European Federation of Allergy and Airways Diseases Patients' Associations (EFA) and the International Alliance of Dermatology Patient Organisations (IADPO) are delighted to invite you to our event at the 28th EADV Congress in Madrid.

ATOPIC ECZEMA

"HOW TO IMPROVE QUALITY OF LIFE IN ATOPIC ECZEMA BEYOND THE PHYSICIAN CONSULTATION"

Chaired by Erna Botjes, Vice President of EFA

11th October, 16h45 - 17h30

EADV Congress, Madrid, Room A9.1

We will shed light on the challenges of patients with atopic eczema - beyond just the obvious physical symptoms, which are often hidden and have significant neglected psychosocial impact. Our speakers will explore what are the challenges and how to overcome them through a patient-centred, multidisciplinary and collaborative approach to improve people's quality of life.

Guest Speakers:

Idoia Moran

Atopic Eczema Patient

Marie-Anne Morren

Doctor, Department of Paediatric Dermatology, University Hospital Lausanne

Johannes Ring

Professor and Chairman of the Department of Dermatology and Allergology, Biederstein of the Technische Universität München

Dagmar Simon

Professor, Director of Department for Dermatology Inselspital Bern

Christian Vestergaard

Professor, Member of the EADV Eczema Task Force

This event is kindly supported with unrestricted educational grants from Pfizer, Regeneron and Sanofi Genzyme
