

GAAPP – Global Allergy and Asthma Patient Platform

To all GAAPP Members

Invitation to nominate delegation for the first GAAPP Sport Games for children with asthma in Krimml, Austria June 13-20, 2013

Dear GAAPP Member,

It is my pleasure to let you know that GAAPP is now in a position to run next year the often discussed Sport Games for Children with Asthma. The games will be held from June 13 (Arrival day) until 20 (Departure day) at Krimml, Salzburg County.

GAAPP has the opportunity to accept 8 delegations. GAAPP takes over the costs from arrival in Salzburg airport until departure from the same airport. This means you need to find local funding partners for the flight tickets from your country to Salzburg.

The delegations will be accommodated in economic ( 2-3 star) hotels. Please find the rules for the games enclosed.

The games are held in Krimml, a small town in Salzburg County with the highest waterfalls in Europe proofing to show positive effect for people with asthma. Please see also <http://www.direktholidays.at/en/holiday-region/freizeittipps/krimmler-waterfalls.html>

GAAPP will accept one delegation per GAAPP member and country and 8 delegations in total in the follow up of requests (first in, first served). We need to know who is participating until the end of January 2013.

GAAPP likes to remind you that the idea of sport games comes from UNASMA. UNASMA run six games with Spanish speaking delegations. I had the honor to visit the opening of the UNASMA games 2010 in Spain and that was the moment where we discussed to organize it by GAAPP next time.

As soon as we know which GAAPP members will participate we will distribute to all participating member organizations form sheets requesting further details.

Kind regards,

Antje
