

World Atopic Eczema Day 2020

How do YOU care for atopic eczema?

EFA webinar at virtual EADV Congress 2020, 29 October 08:30 – 09:15

Duration: 45 min

Objective:

In line with World Atopic Eczema Day 2020, **patients and families** are at the core of the EADV webinar session. We will address what living with atopic eczema means for families with children affected by atopic eczema/atopic dermatitis and how it affects their daily (family) life.

Together with **patients, caregivers and healthcare professionals**, we will provide an insight into **how families care** for their children, how they experience their relations with healthcare professionals and elaborate on how a collaborative approach can **improve patients' Quality of Life**.
